

Pre-Qualifications of Students to Enter Universities

- **Grades from High School Exam (Bacc. II)**
- **University Entrance Exams**
 - **English Proficiency Test**
 - **General Education Test**

The Challenges to Raising Quality at Higher Education Level

1. Making Summary of Textbook (Outlines)

-Instructors learn for students?

2. Reading Dilemma

-Many don't like to read!

3. Concurrent Enrollment

**-Many attending 2-3 different
universities**

Quality of Curriculum/Courses Offering

- 1. International Standards, Yet with Local Needs**
- 2. Market Needs?**
- 3. Cambodia's Priority Developmental Needs?**
 - Critical Thinking & Research Skills**
 - Report writing**
 - Environmental Studies**
 - Gender Studies**
 - Leadership Capacity, etc.**

Government Policy to Ensure Quality Graduates?

- 1. The Establishment of ACC
(Accreditation Committee of Cambodia)**
- 2. Requirements of Foundation-Year
Course**
- 3. Credit System – a more standardized
format of learning measurement**
